January 8, 2025

BOROUGH OF EMERSON ALERT:

A wind advisory has been issued for Emerson with wind gusts of 40 mph expected. Please refrain from putting your recycling out for tomorrow's pickup. If you have already put your recyclables out, we suggest that you bring them inside to prevent your cans from blowing over and littering the neighborhood.

Reminder: If your cans blow over, you are responsible for the cleanup.

We appreciate your cooperation and your help to Keep Emerson Clean!
