Motion to close public Session-P. Dinallo, 2nd T. Sudano

Correspondence –None

Old/Unfinished Business

1. November woods/downtown cleanup was very good. There were 15-18 volunteers from Emerson residents, commission members, the Key club, as well as Mayor Lamatina

2. Clean up next one in spring commission discussed to Include-Broadway Paper Street and downtown area as well as Emerson Woods preserve. April 10th 2016.

K. Browne suggested do another invasive plant pull when they are beginning to emerge.

3. Need to follow Hecks Ditch if the clean out was done by the Emerson DPW-Mr. Browne to follow up.

4. S. Clark discussed latest update on the October 2016 Town Fair. She has set up a document on Google Docs which has been shared with all commission members. She is meeting with the Board of Health to discuss any requirements they may have for the food vendors. In addition, she discussed the proposed site would either be at Hillman Field or at the High School and be held from 9-4. There will be crafts, music and a banner. Vendors would have tents or awnings so it can be held rain or shine. Ms. Clark asked that next year's budget include funding for this event.

New Business-none

Adjournment motion to close T. Sudano, 2nd M. Griggs

@8:38 pm
