

The Emerson Historic Preservation Committee meets the 3rd Monday of the month. There are no regularly scheduled meetings in July or August.

The Emerson Historic Preservation Committee seeks your assistance in its effort to recognize, catalog, and preserve the people, places, objects and events of historical interest to Emerson. Please contact committee member Jill McGuire by email at clerk@emersonnj.org if you have any items of interest to share. The committee will happily scan and return original photos. Thank You!

Meetings are at 7:00 pm in the Borough Hall Council Chambers. We hope to see you!
