April 30, 2020

Hi. This is Mayor Danielle DiPaola. I am happy to report that all Borough parks will reopen tomorrow, Friday, May 1st at 7:00 AM for passive recreation including walking, running or spending time with those you have been sheltering at home with over the last six weeks. In addition, the Board of Education is also opening up their fields and these same guidelines must be adhered to. You must continue to practice social distancing or we may have to close the parks and fields again.

In celebration of our classes of 2020, the Borough and the Board of Education will join in lighting up our respective fields at 8:20 pm for 20 minutes and 20 seconds tomorrow evening and every Friday through the end of June.

I know these past few weeks have been difficult but I am so proud of our community for adhering to all guidelines and doing what is best for everyone. We truly are working on this together and we will come out of this stronger, Emerson strong. As always, I remain available to you by phone at 201-509-1534 or by email at mayor@emersonnj.org. Be smart, stay healthy. God bless you and God bless Emerson.

I remain,

Danielle DiPaola
Mayor
