May 27, 2021

I am happy to report that there have been no new cases of Covid-19 reported in the Borough of Emerson in the last eleven days. We are very grateful for this turn of events. Effective Tuesday, June 1st, Borough Hall will be open to the public and you are welcome to come in without an appointment.

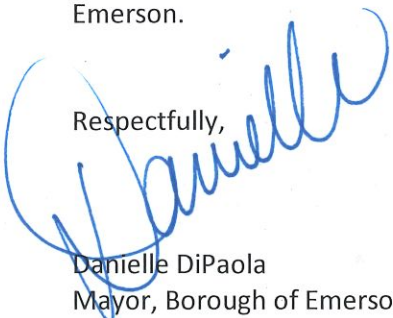

We invite you to join us and the members of American Legion Post 269 on Monday, May 31st at 11:00 a.m. as we continue our tradition of honoring our American heroes who made the ultimate sacrifice. Each organization in the Borough will be placing wreaths at Monument Park adjacent to Villano School in honor of our fallen heroes. For the first time, we will also be displaying the Veterans' Memorial Banners at Monument Park and along Kinderkamack Road. They will be on display through Veterans' Day in November and will become a proud annual tradition in our Family Town. If you are interested, Memorial Banners are still available for purchase. The information may be found on the Borough website.

And just a friendly reminder that recycling and garden debris will be picked up on Memorial Day, Monday, May 31st as usual. Please place items out Sunday after 6 p.m. to ensure that your debris is picked up. Borough Hall is closed on Monday in observance of the holiday so if your debris is not picked up, please pull it back in until the following week.

With such positive news of the Covid-19 cases being down, you may be hearing from me less frequently so please be sure to watch our meetings and check the Borough website for pertinent information moving forward.

I wish you an enjoyable Memorial Day weekend. Be smart, stay healthy. God bless you and God bless Emerson.

Respectfully,

Danielle DiPaola
Mayor, Borough of Emerson
